

## **COMMERCIAL SPACE FOR LEASE**

The Rural Municipality of Grey currently has a commercial space, located in Elm Creek Manitoba, available for lease.

- Approximately 400 square feet
- Attached to Municipal Office but has separate entrance
- Washroom/coffee counter is shared with an additional lease space (lockable from either side)
- We are anticipating an August 1, 2011 move in date but as this building is currently under construction that could change a bit

For further information, please do not hesitate to contact the following:
