

Memo

To: All Potential Taxpayers under Special Service Proposal 01-2011

From: Kim Arnal, C.A.O.

Date: January 26, 2012

Subject: **Objections**

We are regulated to send notice to anyone who objected at the Municipal Hearing to Special Service Proposal 01-2011 giving them an opportunity to also object to the Municipal Board. It has now come to my attention that while there is no direction/requirement in the Municipal Act to send notice to all potential taxpayers the Municipal Board will accept objections from ALL POTENTIAL TAXPAYERS of Special Service Proposal 01-2011.

Please find enclosed information on where to submit your objection if you wish too.

Thank you,

Kim Arnal
